

Anthony (“Tony”) Caldwell

Tony has been with FPCW since April of 2021, and aren’t we lucky! He brings over 25 years of commercial custodial expertise to the job, and we are grateful. A true North Carolina “native son,” Tony’s ancestry lies among the original Cataloochee Caldwells. Conscientious with a capital “C”, Tony often starts work at 5:30 Monday mornings, getting the church clean after Sunday activities and readied for the week ahead before anyone arrives. His experience is obvious in so many ways, and his caring shows especially in the magnificent shine he keeps on our floors!
